FOR: CONTINUING THE OFFICE OF FAITH-BASED AND COMMUNITY INITIATIVES AND THE INDIANA COMMISSION ON COMMUNITY SERVICE AND VOLUNTEERISM AND RESCINDING PRIOR EXECUTIVE ORDER

TO ALL WHOM THESE PRESENTS MAY COME, GREETINGS.

WHEREAS, Hoosiers are a dedicated and selfless people who have a long and proud tradition of helping their neighbors and those less fortunate than themselves;

WHEREAS, committed volunteers in faith-based and community-based organizations bring unique skills, services, and resources to bear on the struggles faced by Hoosier families;

WHEREAS, volunteerism and community service are recognized as a means to empower citizens in their own communities and to further State and community problem-solving;

WHEREAS, there are many opportunities for faith-based and community-based organizations to partner with government entities to deliver services more effectively than either can do alone;

WHEREAS, these opportunities represent an avenue toward addressing many of the State's unmet educational, human, public safety, and environmental needs and expanding the options available for enhancing the quality of life for all Hoosiers;

WHEREAS, many beneficial opportunities may be lost if faith-based and community-based groups are not aware of opportunities to participate with state government in serving Hoosiers, or are not equipped to participate on a level playing field, to the fullest extent permitted by law, in partnering or contracting with government entities for the delivery of services that serve a valid government purpose;

WHEREAS, similarly, many beneficial opportunities may be lost if state government does not make efforts to reach out and share information about opportunities to faith-based and community-based providers or to secure and direct federal and state funding to them or assist them in identifying and applying for discretionary federal and state grants;

WHEREAS, government may neither advance nor inhibit religious expression, nor endorse any particular type of religion over non-religion, but must not discriminate against the provision of services by faith-based or community-based providers who are otherwise qualified to provide services;

WHEREAS, it is beneficial to encourage communication between state government and faith-based and community-based organizations, recognizing the importance of sharing information about and encouraging the best practices of successful faith-based and community-based programs;

WHEREAS, the National and Community Service Trust Act of 1993 (the Act) calls for the support and collaboration of federal, state, and local programs and agencies to build on existing organizational structures and expand full-time and part-time service opportunities for all citizens, and makes federal funding available under the National and Community Service State Grant Program;

WHEREAS, Hoosiers can benefit from a comprehensive and coordinated effort to improve and strengthen the State's volunteerism and community service infrastructure, maximize the utilization of available resources, and cultivate volunteer service opportunities that address the State's pressing needs; and
